

REMARKS

Applicants canceled claims 15-48 to include in a continuation application. Applicants note that the primary examiner may enter an amendment after the notice of allowance that involves canceling claims without forwarding to the supervisory patent examiner for approval. See, MPEP Sec. 714.16(a), pgs. 265-266 (8<sup>th</sup> Ed., Rev. 6, Sept. 2007)

Applicants submit that no new claims or new matter has been added to the application. Nonetheless, should any additional fees be required, please charge Deposit Account No. 09-0449.

The attorney of record invites the Examiner to contact him at (310) 553-7977 if the Examiner believes such contact would advance the prosecution of the case.
